

Sterolux Halo Lubricator Limited Warranty Policy

Sterolux warrants to the original retail purchaser that the **Folub HP Lubricator** (Dental Handpiece Maintenance System) will be free from defects in material and workmanship under normal use and service for the period specified below.

Component	Warranty Period (from Date of Purchase)	Coverage
Main Unit (Parts & Labor)	One (1) Year	Covers the internal motor, control board, air valves, and non-consumable mechanical components against manufacturing defects.

I. Warranty Coverage

The sole obligation under this limited warranty is the repair or replacement, at Sterolux's option, of the defective components or product. Replacement components may be new or refurbished, provided they are of like quality and specifications.

II. Conditions and Requirements

- 1. Product Registration:** The original purchaser must register the Halo unit within **ninety (90) days** of the date of purchase.
- 2. Proper Operation:** The unit must be operated and maintained strictly according to the procedures and instructions outlined in the **Halo User Manual**.
- 3. Approved Consumables:** The use of only **Sterolux-approved lubricant/oil** is required. Use of non-approved or third-party lubricant will void the warranty, as it may cause damage to the internal systems.

III. Exclusions (What is Not Covered)

This limited warranty does not cover:

- **Consumable/Wear Items:** Oil, O-rings, air filter pads, handpiece coupling adapters, and other parts subject to periodic replacement.
- **Damage from Misuse:** Defects or damage caused by improper connection, incorrect air pressure, physical impact, fire, spillage, or failure to perform routine maintenance. ●
- **Unauthorized Service:** Repairs or alterations performed by any technician or entity not explicitly authorized by Sterolux.
- **Contamination:** Internal contamination or damage caused by debris, fluids other than

the approved oil, or non-filtered air supply.
