

# Sterolux Nova AC Limited Warranty Policy

This policy applies to the **Sterolux Nova AC** sealing machine and is effective from the original date of purchase.

Component	Warranty Period	Coverage
<b>Main Unit (Heating Bar, Body, Electronics)</b>	<b>One (1) Year</b>	Covers the main machine body, electrical control systems, and heating elements against manufacturing defects under normal clinical use.
<b>Replacement Parts</b>	<b>Ninety (90) Days</b>	Covers new replacement parts purchased after the original warranty has expired.

## I. General Warranty Conditions

- 1. Authorization:** The sole obligation under this limited warranty is the repair or replacement, at Sterolux's discretion, of defective components or the product itself.
- 2. Registration:** Warranty claims require the product to be registered within **ninety (90) days** of the purchase date.
- 3. Proper Operation:** The unit must be operated strictly according to the procedures and specifications outlined in the Nova User Manual.

## II. Exclusions (What Voids the Warranty)

This limited warranty specifically **does not cover** the following issues:

- **Heating Element Misuse:** Damage to the PTFE (Teflon) covering or the heating bar caused by excessive force, sharp instruments, or prolonged sealing times outside of the recommended procedures.
- **Cutter Blade:** The integrated cutter blade is subject to normal wear and tear and is **not covered** under the one-year warranty, though some units have a separate guarantee for a high volume of cuts.
- **Consumables:** Sterilization pouches, filters, or external blades are excluded.
- **Improper Maintenance:** Damage caused by improper cleaning methods, liquid spillage, or failure to follow the unit's required maintenance schedule.
- **Misuse:** Damage from accident, dropping, alteration, or connection to incorrect voltage supply.
- **Unauthorized Service:** Repairs or alterations performed by any technician or entity not explicitly authorized by Sterolux.
